Displaying the Drawer in FYI

Click on an email or document in a list to display the Drawer. The Drawer holds information on Filing, Tasks, Comments and other Activity related to the email or document.

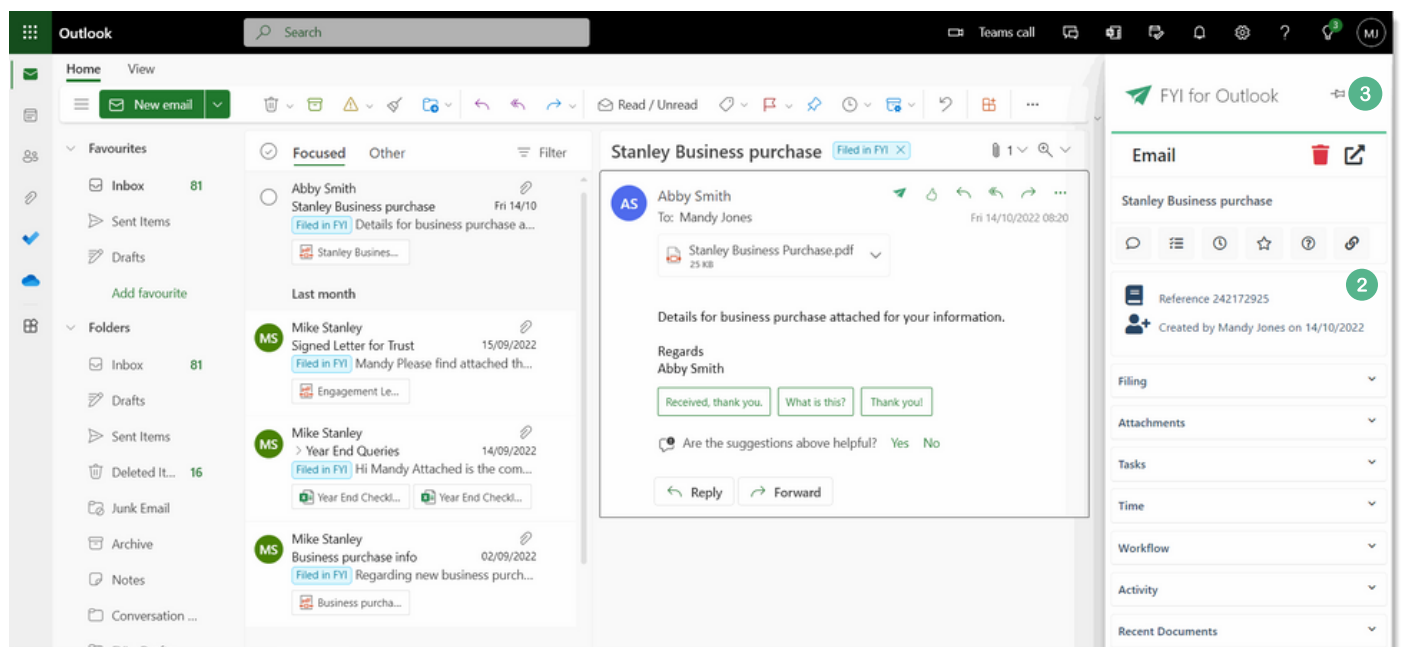

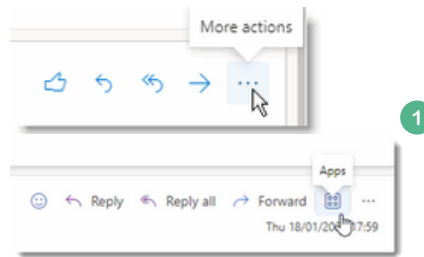

Microsoft 365 Integration

FYI is deeply integrated with Microsoft 365 to provide the back-bone to intelligent auto-filing features, the ability to edit documents using Microsoft's desktop apps, and an additional layer of security.

Displaying the FYI Drawer in Outlook

- 1 To display the FYI Drawer using Outlook Online, select an email. Depending on your Outlook version, this will be located
 - In the More Actions (...) menu
 - In the Apps menu
- 2 The FYI Drawer will display on the right-hand side.
- 3 To keep the FYI Drawer open, click the Pin icon. This will save it from reloading each time.

Quick Tips:

- When using Outlook Desktop, click the FYI icon in your Outlook ribbon menu or alongside the Reply/Forward buttons
- To keep the FYI Drawer always open, click the Pin icon.

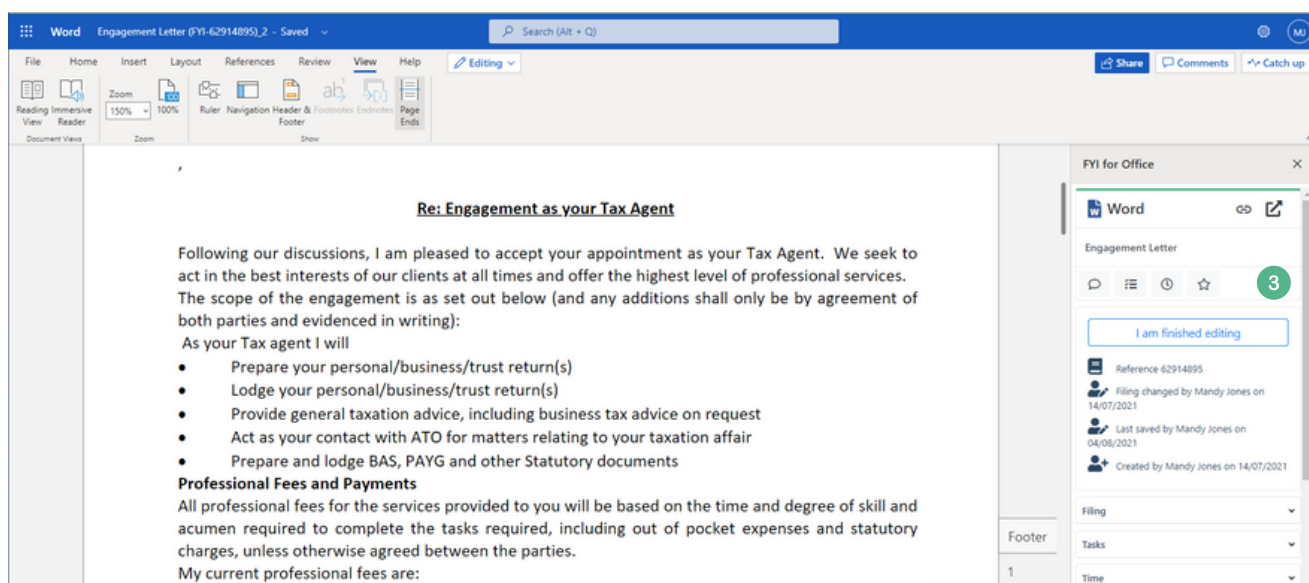

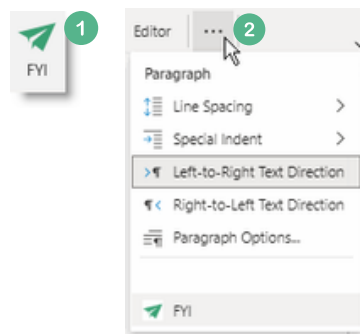

See how easy it is to file your first email from Outlook

- Access the FYI Drawer in Outlook
- Change the name of an email
- File it to a Client and Cabinet in FYI
- Access the email in FYI.

Displaying the FYI Drawer in Office

- 1 To display the FYI Drawer using Office Online, click the FYI icon in your Office ribbon menu.
- 2 If the FYI doesn't appear, click More Options (...) to find it.
- 3 The Drawer will display on the right-hand side. This applies from within Word, Excel and PowerPoint.

Quick Tips:

Ensure your FYI Add-ins are installed and your computer is set up correctly before you start using FYI.

- The FYI Add-ins can be added to your practice Microsoft 365 account, or as a user within Office and Outlook. [Find out how.](#)
- Start by checking you can display the Drawer in both desktop and online versions of Office and Outlook. [Find out how.](#)
- Your Outlook, OneDrive and browser settings all need to be optimised to ensure you can display the FYI icon in Outlook, and preview and edit Office documents seamlessly. [Find out how.](#)

A graphic for a tutorial. It features a large green gear with a white outline. Inside the gear, the text '#GettingStarted' is written in white. To the left of the gear, the text 'Creating your first letter in FYI' is written in white. Below the gear, the word 'Tute' is written in white. The background is light green with faint paper airplane icons. The 'fyi' logo is in the bottom right corner.

See how easy it is to create your first letter in FYI
